

# PRIVACY POLICY

This Privacy Policy provides information on the type of information that General Cargo Services Ltd collects about you and the way that this information is used. Here you can also find out more about your rights as a data subject.

General Cargo Services Limited hereinafter referred to as “we” or “us”) is responsible for the processing of data described in the following document.

## I. Processing of data on our websites

### 1. Visiting our websites

As a fundamental principle, we do not identify visitors to our websites. When you visit our websites, we store the following information, which your browser transmits to our server:

Your abbreviated IP address

The date and time you accessed the sites

The name and address of the file called up

The amount of data transferred

Messages on whether the websites were successfully called up

Data identifying the browser and operating system you use

This data is processed to enable use of the website from a technical perspective (establishment of a connection). The data is also analyzed statistically in anonymized and aggregated form (i.e., in a way that does not permit identification of individual users) to ensure system security, facilitate technical administration of the network infrastructure and help us optimize our online content.

### 2. Processing of personal data

In addition, we process personal data on the website only if you disclose it to us, such as in our contact form or by e-mail.

a) Contacting us (contact form, e-mails)

If you disclose your personal data to us using contact forms or by e-mail, it is used to reply to your inquiry or provide you with access to the services you requested. This data is not combined with usage data collected when you visit the website (see section 1).

### 3. Cookies

If you visit one of our websites, we may store information on your computer in the form of cookies, which will allow us to automatically recognize your computer when you visit us the next time. Cookies allow us to adapt a website content to your interests, for example, or to save your password so that you do not need to enter it every time. If you do not wish us to recognize your computer, please set your Internet browser to delete cookies from your hard drive, block all cookies or warn you before saving a cookie.
